

AUTOMATIC FLUSH BOLTS

The bolt is projected automatically when the active door (lead door) closes and depresses the trigger on the edge of the door. When the active leaf is opened, the bolt automatically retracts.

All units are UL Listed.

1860S	Metal Door - Automatic Flush Bolt, Single
1860P	Metal Door - Automatic Flush Bolt, Pair
1861S	Metal/Wood - Universal Automatic Flush Bolt, Single
1861P	Metal/Wood - Universal Automatic Flush Bolt, Pair
